Two vertical metal plates, likely made of brass or a similar alloy. Each plate has a central rectangular hole and notched ends at the top and bottom. They are shown side-by-side.

Two vertical metal plates, similar to the ones in the first image but with circular holes instead of rectangular ones. They are shown side-by-side.

A large, complex metal plate with multiple notches and holes. It has a central rectangular hole and several smaller circular holes. The plate is shown in a perspective view, with dashed lines indicating its shape and dimensions.

	AT 10-BE	cod. 99111	-Tubo blanco 10 mm Ø, tipo doble, capuchón púrpura, puntas de fieltro, tinta azul en un lado y punta para borrar en el otro.

- Para costura, artesanía, bordados, flores artificiales, marcar líneas temporalmente, etc.
- La escritura desaparece espontáneamente cuando se deja entre 2-14 días. Se borra con agua fácil y rápidamente. Colores rosa o púrpura. Se puede escribir sobre papel, tela, lana, madera, plásticos o cualquier otro material. Útil para marcar temporalmente, para escribir memorandums, dibujos de diseño, bordados, etc.
- La tinta rosa desaparece antes que la púrpura.
- El período de su desaparición es entre 2-7 días para la tinta rosa y entre 5-14 días para la tinta púrpura.
- Esto puede variar con el material, el tamaño de tejido (textura) y el ambiente circundante, tales como la temperatura, la humedad y la circulación del aire.
